3rd party cookies

Most websites will include code from 3rd party websites. We do not have any control over how the information in these cookies is used nor do we have access to it. Please refer to the cookie policies of the relevant provider for more information.

To opt out of being tracked by Google Analytics across all websites, visit this link:
<http://tools.google.com/dlpage/gaoptout>.

Common 3rd party integrations:

Google Analytics (& Google Tag Manager) Most of our websites are integrated with Google Analytics to allow recording of page hits etc.

Information about Google Analytics cookies.

Users can also block Google Analytics by using Google's opt-out browser add-on.

`_gat_gtag_UA_[+ id code]` (1 minute)

Set by Google to distinguish users.

`_gat_UA-[+ id code]` (1 minute)

A variation of the `_gat` cookie set by Google Analytics and Google Tag Manager to allow website owners to track visitor behaviour and measure site performance. The pattern element in the name contains the unique identity number of the account or website it relates to.

`_gid` (24 hrs) Stores information on how visitors use a website, while also creating an Analytics report of the website's performance. Data collected includes the number of visitors, their source, and the pages they visit anonymously.

`_ga` (2 years) `_gcl_au` (90 days) Provided by Google Tag Manager to experiment efficiency of websites using their services.

Google Translate:

If your site uses Google Translate, your site will also include a session cookie for storing the translation preference. Erased when the user closes the Web browser.

Twitter

Some of our websites will have an embedded Twitter feed. Twitter have their own cookies and cookie policies: [Twitter Cookie Usage](#).

Vimeo

Some websites also embed videos from Vimeo. This is covered by Vimeo's cookie policy.

YouTube

Some websites also embed videos from YouTube. This is covered by Google's Privacy & Terms policy.
